Yay! This is fun! It's some guy playing on a tropical island, right?

Yup, it looks very relaxing. He must be having a fun time...

Hmph... Is he alone? The guy could be stranded

Oishi-senpai probably drew them all too...

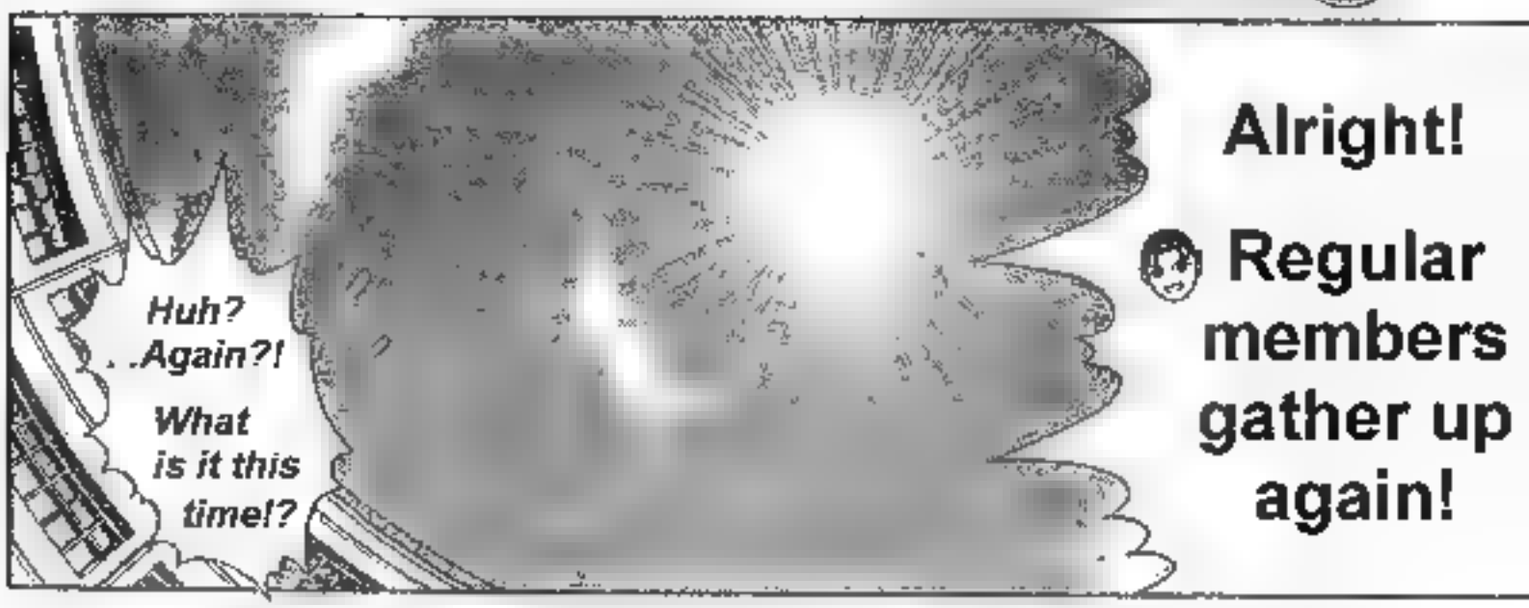
You just realized that now?
It seems like he is collecting our data or something... I have a bad feeling about this!



Huh?

I've come up with various formations for the order of our lineup

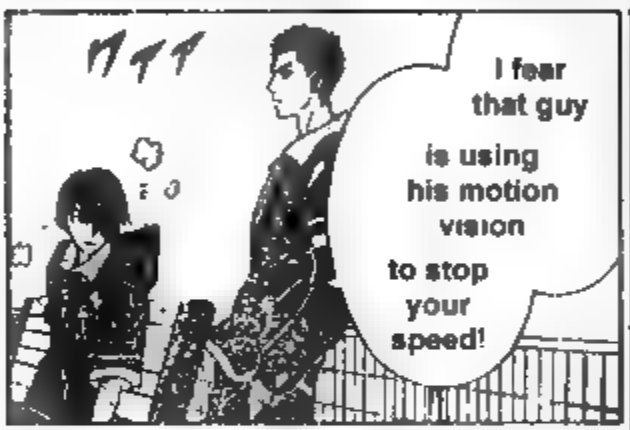
Motion vision
.....



I fear that guy is using his motion vision to stop your speed!

Ta... Tachibana !?

Using his keen eye sight, he watches the movement of your feet.
In other words, the instant your foot moves towards one direction, he will hit it towards the opposite direction!
No matter how fast you are .....
If he knows the direction you are going, there is no way you can beat him!

So, you've already figured it out?
Quite impressive, Tachibana...
But it's already too late!

Match Point Songoku !!
Now it looks like he has closed his eyes
One more point!
One more point!

!
Ahh~~
Kamio
!?
Ah! Kamio that idiot!!
Why is he closing his eyes?

AGAINST HIS KEEN EYE SIGHT, A NEW MOVE IS UNLEASHED!
THE SONIC BULLET!!
Some-thing's wrong... What's this?
He waited until after the ball was hit to go after it. -!
So... It has begun, Kamio
SONIC BULLET !!
Don't under-estimate my speed!!

Advance to the Nationals!
Tachibana has led us to this point, we must. . we must try our hardest to repay him
Because of our neglect, at the Tokyo Prefectural Tournament, we let down Tachibana

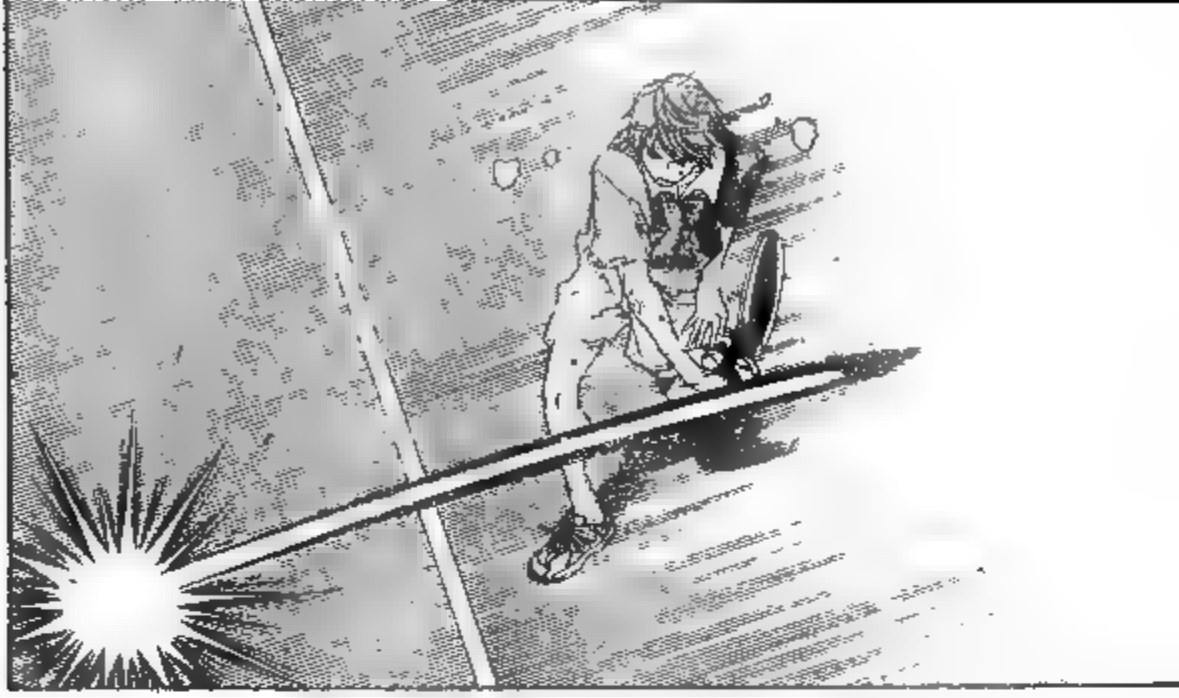
Ka...
Kamio...!

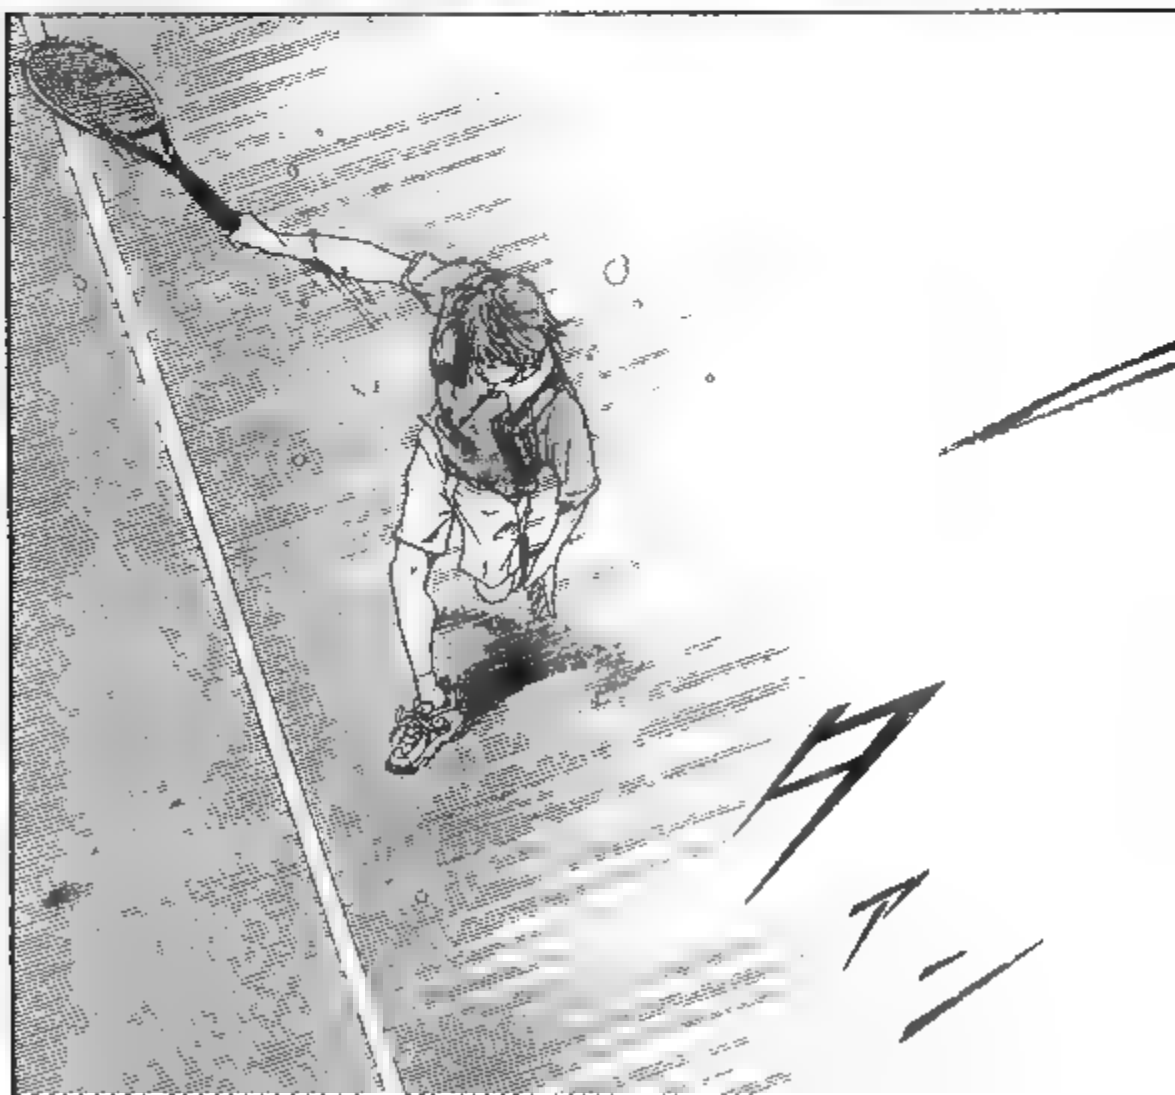
AAAAHH!!

SONIC
BULLET!!

So fast!? Our eyes can't even follow the ball he just hit!
Sengoku!?
Can he see the ball...?

I
see
it
!!





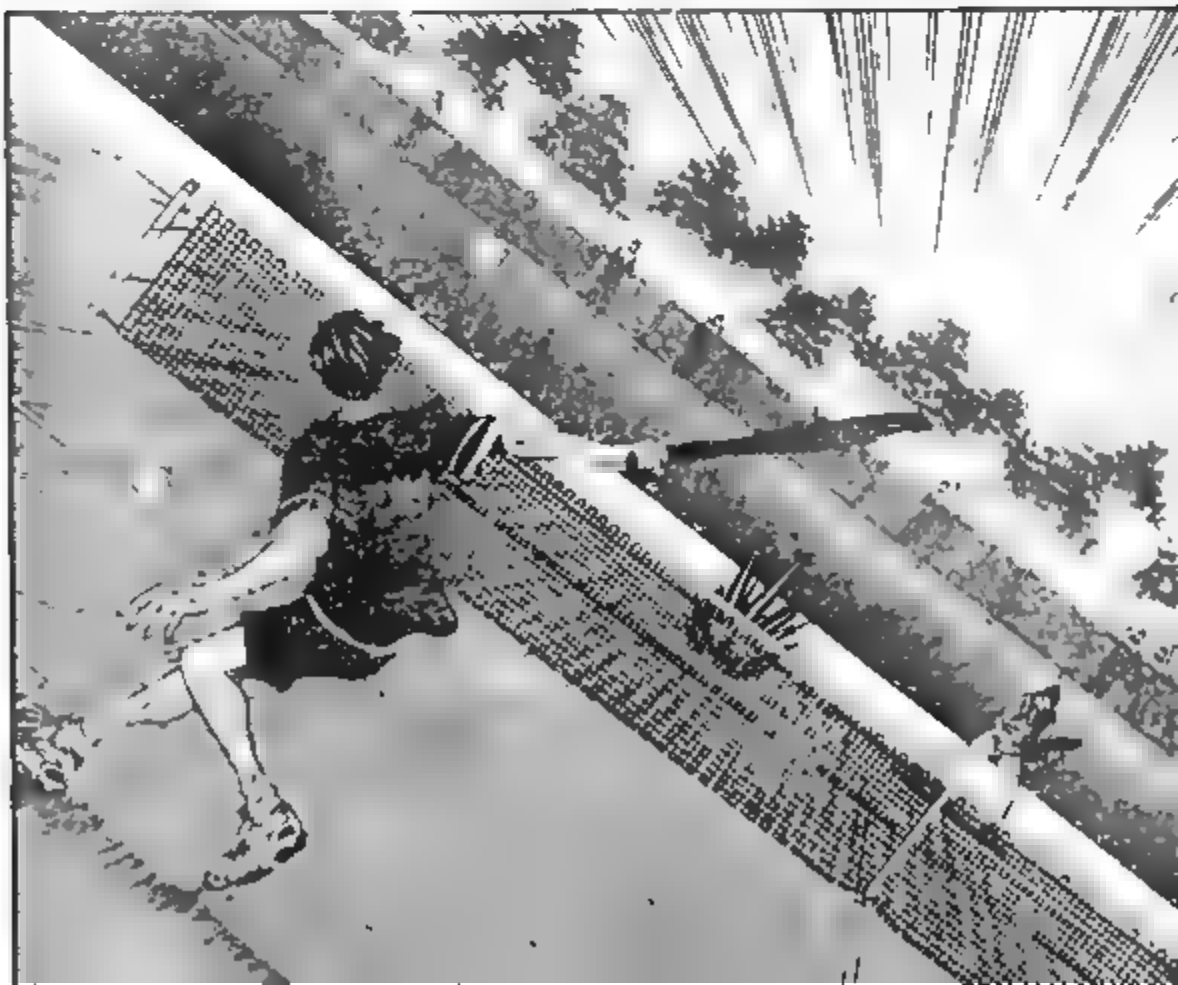
Even if you can see it ...
There's no way you can hit it!
HAH
HAH
That shot was Kamio's super high speed return, the Sonic Bullet!
WHOAH!
Sengoku's swing was too slow!?

When he hit the ball, he tilted his racket so that he could return the ball at a higher speed.

Combined with Kamio's natural quickness, this is the ultimate high speed return

(After the ball is hit it speeds up)

Using an ultra-thin slice shot.



What an exciting match
Yeah
However Sengoku won't back down so easily

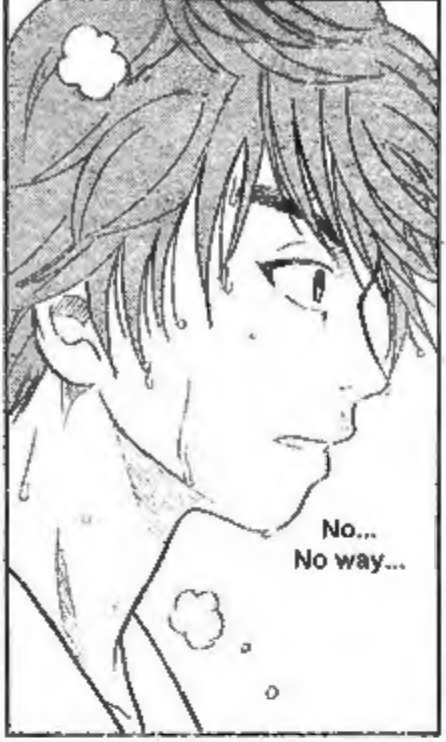
KA.. KAMIO -KUN !!
AH !?

Good job Ashita-kun. So far you have played well enough to keep up with us. Enduring all that fatigue...
However if he has been running at this pace since the beginning of the match
He shouldn't be able to hold out much longer!

Kamio -kun !?
My knees ...!?
Don't ever give up! Come on!
!

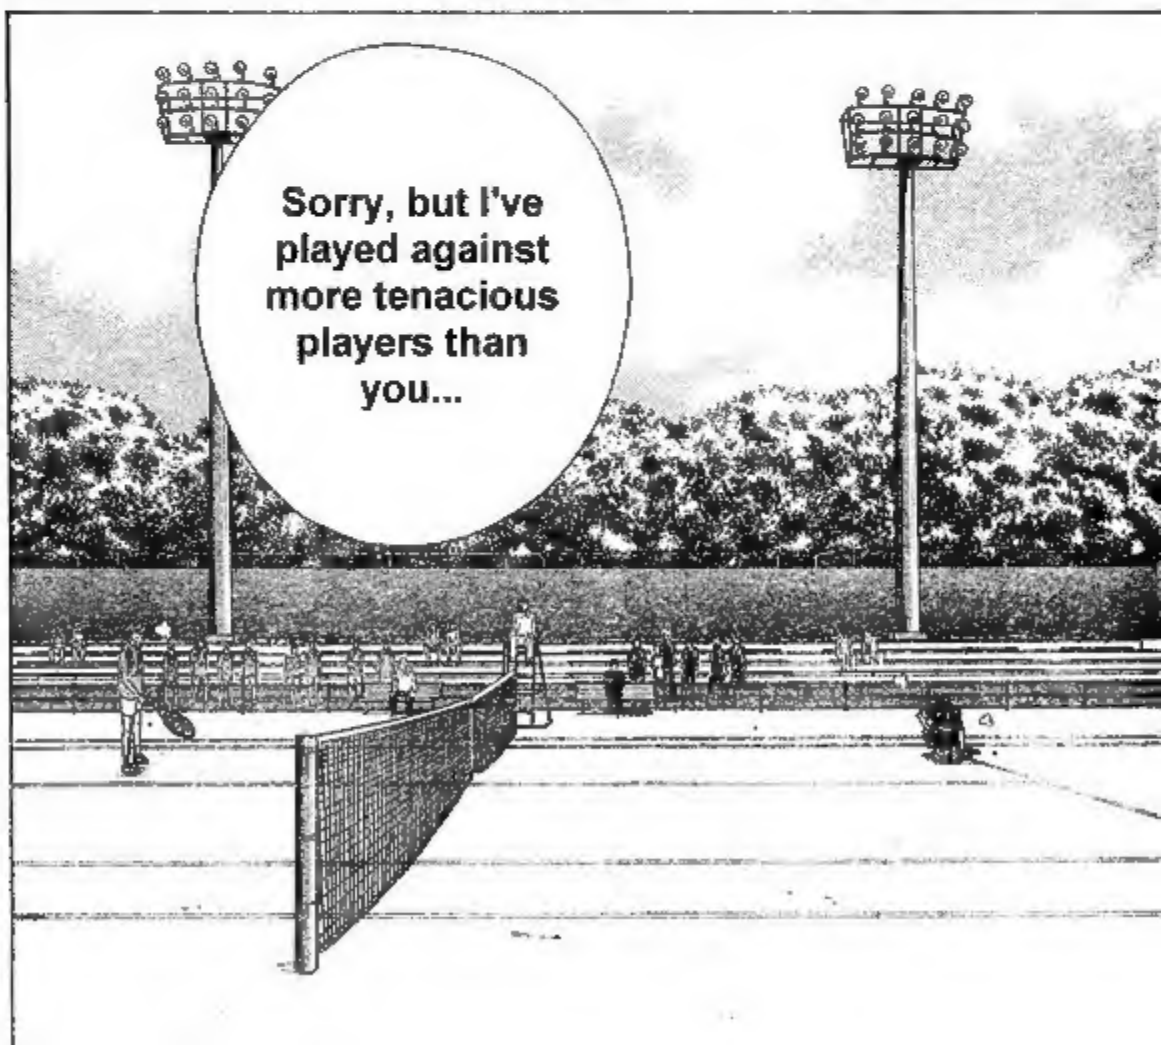
DAMN IT!!

Hey, Sengoku Kiyosumi!



No...
No way...

HUF



Sorry, but I've played against more tenacious players than you...
